Fire, security and nurse call

We work around your residents.

The Helix PromisePLANNED WITH YOUR TEAM
DISRUPTION MINIMISED

— CORE FIRE SAFETY CONTROLS

- ✓ A current fire risk assessment, with actions addressed
- ✓ Fire alarm & emergency lighting maintained
- ✓ Fire doors & escape routes kept effective
- ✓ Evacuation plans reflect people's needs

We document what we maintain.

— WHY HELIX

- Nurse call and fire, one visit
- We tell you before we test
- Engineers used to care settings
- False alarms traced, not reset

— WHAT WE HANDLE

-  Fire Alarm Servicing
-  Emergency Lighting
-  Fire Risk Assessments
-  Fire Door Inspections
-  Nurse Call Systems
-  CCTV & Access Control
-  Extinguishers & Signage
