DISCIPLINES
One
subcontractor,
not five

We don't hold up your handover.

The Helix PromiseCOMMISSIONED · CERTIFICATED
TO YOUR PROGRAMME

— WHAT HANDOVER NEEDS

- ✓ Building control sign-off on file
- ✓ Commissioned in time for handover
- ✓ Certificates and O&M pack
- ✓ Snags closed out on site

We work to your programme, not ours.

— WHY HELIX

- Priced from your drawings
- Fitted around the other trades
- Commissioned to your programme
- O&M pack ready at handover

— WHAT WE HANDLE

-  Fire Alarm Systems
-  AOV & Smoke Vents
-  Emergency Lighting
-  Door Entry & Access
-  CCTV Surveillance
-  Wi-Fi, Network & IP
-  Certification & Handover

— HOW WE RUN IT

THE PROGRAMME Sequenced with your trades, not after them.

THE HANDOVER Certificates and O&M pack, plot by plot.

EARLY STAGE · NO OBLIGATION
